

Dear Students

As you already know, we have planned to start the Extension Courses in English (**Diploma & Higher Diploma**) on 20th of February 2021. New timetable and students' respective classes and their numbers (**only for Diploma & Higher Diploma**) are attached below. For any queries regarding classes and allocated dates contact the coordinator via email: samaraweera021@gmail.com

If your name is not included into any of the lists below, you can come on either Saturday (20th Feb) or Sunday (21st Feb) and meet the coordinator with the student copy of the voucher.

Note: Inaugural ceremony has not been arranged and all students can attend their respective classes on given days (20th, Saturday or 21st, Sunday). All classes are conducted (**not online but face to face**) at the Department of English Language Teaching.

We are also starting the **Certificate and Advanced Certificate** courses on 21st of February (Sunday). The lists of students' names with the classes allocated to them (**Certificate and Advanced Certificate**) are given below. If you have any queries, contact the coordinator via email: ruwan@eltu.ruh.ac.lk

Even though your name is not in these lists, you can join the classes on Sunday (21st February) by producing the student copy of the voucher.

Note: We can consider conducting a class each for the Certificate and Advanced Certificate courses on Saturday from next week onwards, provided that there are enough students for those classes. You can discuss this matter with the coordinator on Sunday (21st February). All classes are conducted (**not online but face to face**) at the Department of English Language Teaching.

Please be aware that all students are required to strictly adhere to the national health guidelines to ensure the prevention of Covid-19.
